Reception

If the General Assembly will not be a quorum (more than half of the members of the Association will not be present), the repeated General Meeting is summoned on 2016, May 21 (Saturday) at 14:00h, the same venue and proposed agenda. The repeated General Meeting shall have a quorum regardless of the number of association members present.

Members of the Association can exercise their rights by at the General Meeting in person, or through regular members by means of authorization.

This year we continue the tradition that our members have the opportunity to bring a talented young researcher with them, who may become future Humboldt Research Fellows and members of the Association. Please feel free to use this option!

Please reply (preferably by May 13, 2016) whether you intend to attend the meeting, do you come alone or bring a guest and/or a young researcher.

With friendly regards,

Dr. Dux László
president
